

## DENTISTRY BEST PRACTICES WORKSHOP FOR THE ENTIRE TEAM 8 HOURS RACE<sup>®</sup> CE

Transform your practice's approach to oral healthcare with this dynamic, team-focused workshop. Designed for every role in your hospital, this interactive training goes beyond traditional clinical education to help your team develop a tailored, best-practices strategy that aligns with your unique needs..

This full-day, hands-on program fosters teamwork and equips all hospital team members—from veterinarians and technicians to client service representatives—with the skills to confidently communicate the value of oral health care. By uniting your team, you'll drive better patient outcomes, improve efficiency and encourage lasting success in your dentistry program.

### TRAINING TOPICS INCLUDE:

- Creating your dental future
- Understanding basic oral anatomy and pathology of cats and dogs
- Aligning team communication with new dentistry standards
- Establishing protocols, educating clients, marketing, and scheduling dental services
- Building a customized, best-practices plan for your hospital
