

# Versatile Performance for Every Stage of Care

The CoJack Multi-Purpose Table is engineered to meet the diverse needs of veterinary medicine. Whether lifting large breeds, performing examinations or transporting patients, this table offers the flexibility and durability required in a clinical setting.

- Position table to support proper ergonomics with smooth electric actuation, helping to reduce physical strain on care teams.
- Improve visibility and reach with the optional tilt feature that supports better patient positioning and drainage.
- Accommodate larger breeds with generous 60" tabletop.
- Work uninterrupted with a long-lasting rechargeable battery offering up to 100 full-capacity lifts per charge.

**01** Prevent fluids from pooling with a raised-edge stainless steel top and built-in drain opening.

**02** Reduce risk of injury to staff hips and ankles with rounded corners on tabletop and base.
