A replacement device will be shipped to you via 2nd-day delivery at no charge to you along with a pre-addressed, post-age-paid return label for you to ship the non-working device back to Midmark within 10 days. Our technical service specialists are available Monday through Friday 6:00 AM to 4:00 PM PT.

*The Midmark Diagnostic Extended Warranty is only available to customers within the continental United States, Hawaii and Canada.

** 2nd-day delivery applies when extended warranty coverage overlaps limited warranty coverage.
