

MEDICAL AND DENTAL

Community Health Center Solutions

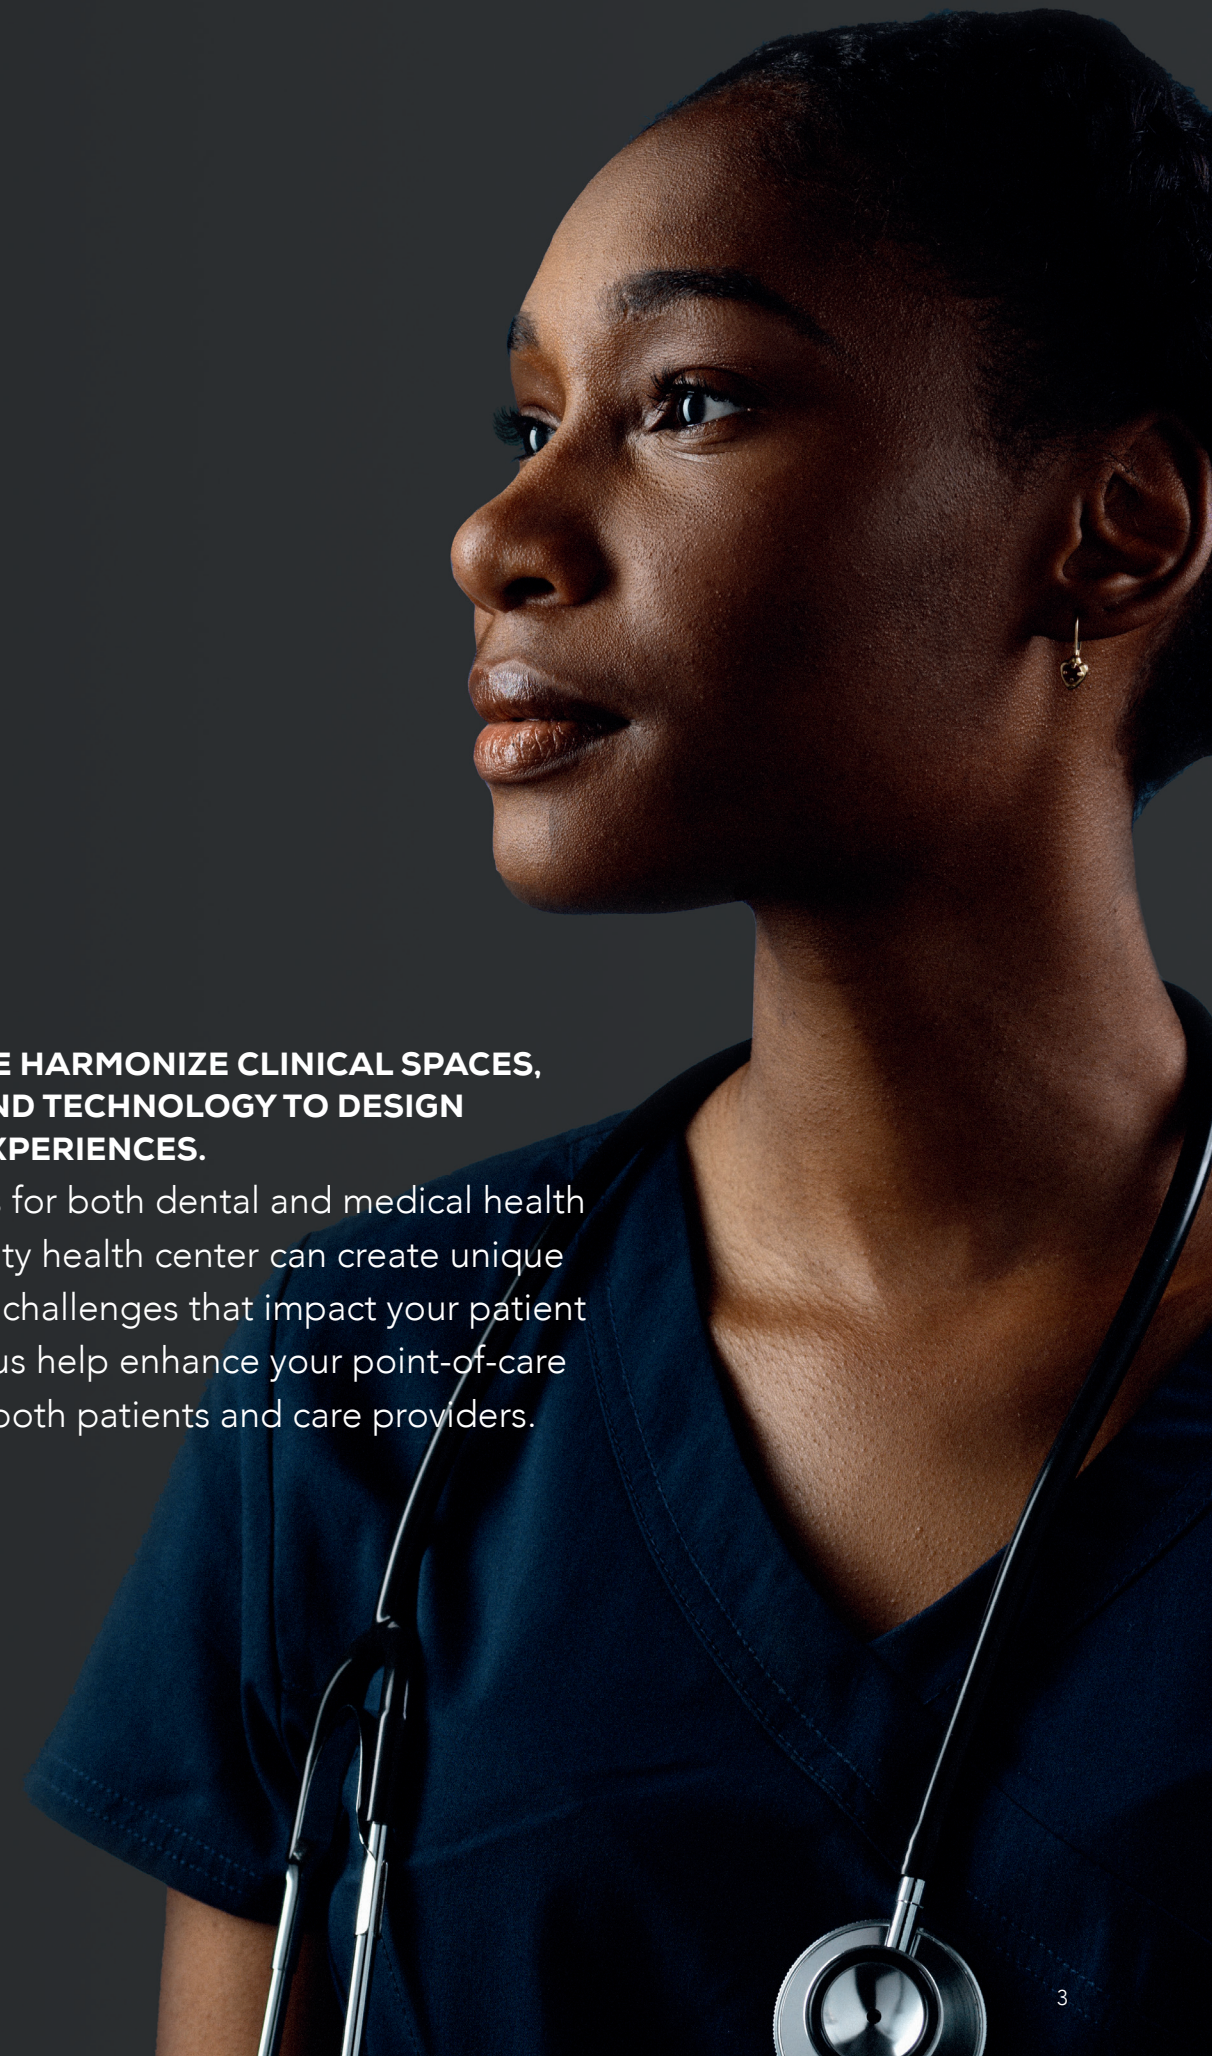

Better care
doesn't
happen by
chance.
It happens
by design.

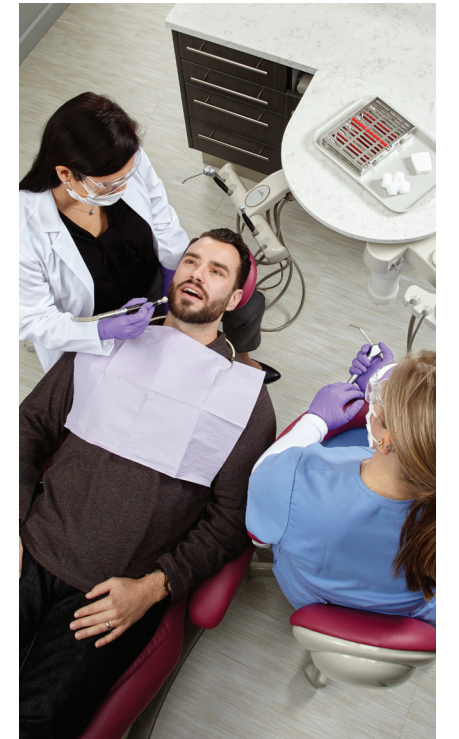

**AT MIDMARK, WE HARMONIZE CLINICAL SPACES,
WORKFLOWS AND TECHNOLOGY TO DESIGN
BETTER CARE EXPERIENCES.**

Treating patients for both dental and medical health at your community health center can create unique clinical workflow challenges that impact your patient encounters. Let us help enhance your point-of-care experiences for both patients and care providers.

Creating a seamless flow between touchpoints allows patients and providers to focus on the care that's being given.

Harmony between your dental and medical treatment spaces can dramatically improve your workflow efficiency. The design experts at Midmark can help you deliver a seamless, comfortable experience for both patients and providers. From complete medical treatment rooms to dental exam and oral surgery rooms, Midmark is a single source you can trust for quality solutions and ongoing support.

With attention
to design, better
outcomes are
possible.

Our clinical space expertise and commitment to innovation keep us on the cutting edge of environmental design, allowing us to create better care experiences.
