System Integrator

2020 Virtual Course Schedule

Intro to SI-275: SI Installation Excellence Training - VIRTUAL

During the COVID-19 pandemic, we are offering a condensed version of our SI-275: SI Installation Excellence Training for Midmark RTLS System Integrator Technicians. This online course provides you with many of the methods, best practices and demonstrations covered in our in-person SI-275 course. The content will be delivered in a convenient virtual format through Microsoft Teams.

Please note that this virtual course does not meet the requirements for System Integrator SI-275 certification. However, it is a helpful refresher for technicians who have previously attended SI-275, or it can serve as an RTLS introduction for new hires or other roles in your organization.

Who should attend

- System Integrator staff handling Midmark RTLS prep, installation and setup

How much it costs

\$500 **Fee waived through December 31, 2020**

Course Dates

Terms and Conditions:

Registration fees cover virtual course instruction. While every effort is made to conduct courses as scheduled, Midmark RTLS reserves the right to cancel courses at any time. Students enrolled in a cancelled session may apply their class registration fee to another course within 12 months.

SI-275 Recertification Exam

In order to maintain your Midmark RTLS SI-275 certification, you need to recertify every two years. You can obtain recertification by taking the online exam at any time.

Who should take the exam

Midmark RTLS System Integrator Technicians who attended SI-275 in Traverse City during or prior to 2018.

How much it costs

\$500 (two exam attempts included)

Note: If you fail both attempts, you must come back to Traverse City for the SI-275 class to be recertified. The Virtual Intro to SI-275 course does not qualify you to take the recertification exam.

Recertification Process

- (1) Register to take the exam by completing and emailing the registration form on page 5 (with credit card or PO) to RTLSeducation@midmark.com.
- (2) Midmark RTLS will contact you with payment confirmation, instructions and a link to the exam. The exam will take approximately two hours to complete.
- (3) Once you complete the exam, you will immediately see if you passed or failed. Grading is based on a scale of 100 points. A passing score is 75 or above.

Instructors

Daniel Michalski, PhD, MCSE, CCNA, CNA

Daniel is our lead technical instructor, bringing more than 20 years of advanced networking experience to the Midmark RTLS team. He has contributed to numerous textbooks, as well as held teaching positions at two universities. Daniel is A+, Security+, and Network+ certified, and specializes in network architecture, design and security.

Max Wolfe

Max brings an extensive background of technical experience to the Midmark RTLS team. Prior to becoming a technical trainer, Max worked many years in Midmark RTLS technical support helping clients troubleshoot problems, plan sensory networks and more. Max has a unique perspective into the questions that Midmark RTLS customers have, and a knack for helping them find and understand solutions.
