SI-275 Recertification Exam

In order to maintain Midmark RTLS SI-275 certification, you must recertify every two years. You can obtain recertification by taking the online exam at any time.

Who should take the exam: Midmark RTLS System Integrator Technicians who attended SI-275 in Traverse City during or prior to 2021. **Individuals who have let their certification expire by more than one year will be required to take the full course again.**

How much it costs: \$500 (two exam attempts included)

Note: If you fail both attempts, you must retake the SI-275 course (both the virtual and in-person sessions) to re-obtain your certification.

Recertification Process

- (1) Register to take the exam by completing and emailing the registration form on page 5 (with credit card or PO) to RTLSeducation@midmark.com.
- (2) Midmark RTLS will contact you with payment confirmation, instructions and a link to the exam. The exam will take approximately two hours to complete.
- (3) Once you complete the exam, you will immediately see if you passed or failed. Grading is based on a scale of 100 points. A passing score is 75 or above.
