

2018 MIDMARK IMAGING TRAINING PROMOTION

Equipment. Solutions. Success. We began by designing high-quality equipment solutions for your dental suite. Then, after years of research, we developed a game-changing training program that will teach you how to lead your practice to lasting success and dentistry excellence for your patients.

You're never too wise to learn new tricks.

FREE! On-Site X-Ray Positioning Training and Midmark installation with the purchase of these eligible products! (Valued up to \$2,000)

Timing:

Promotion order period: **March 11 – December 31, 2018**

Questions?

For product inquiries, please call the Midmark Animal Health Customer Experience Department at **1-800-MIDMARK** or visit midmarkanimalhealth.com. If you have questions regarding the promotion, please call Customer Experience at 1-844-856-1236.

*Midmark must receive a copy of the end-user invoice (stating the veterinarian's name and date purchased). Invoice must be dated **March 11, 2018 – January 31, 2019**. Incentives will not be processed until invoice is received.

This offer is valid on eligible products purchased by a veterinarian or veterinary facility through an authorized Midmark Animal Health dealer. This offer may not be combined with any other offer, promotion or contract pricing.

Free training applies to facilities located in the Continental United States only. The training incentive is available in other locations, but fees related to additional travel expenses may be incurred.

Free installation applies to complete systems and should be submitted as a zero-cost line item on purchase orders.

Midmark AcademySM

Continuing Education for the Veterinary Professional

Dental Radiography and Positioning Training

Our comprehensive, hands-on, half-day digital dental X-ray training is provided in your clinic by a member of the Midmark Animal Health Training and Education Network.

Dental training from Midmark Animal Health will get you up and running with your new equipment faster than you ever thought possible.

Training topics include:

- X-ray generator usage
- Progeny Imaging[®] software training
- X-ray positioning techniques for both canine and feline patients
- How to overcome common positioning mistakes
- Proper maintenance and storage techniques

Veterinarians and credentialed technicians who complete this session will earn 4 hours of CE credits* for Dental Radiography Positioning Training.

To set up your training session or if you have any questions, please contact your local distributor representative or call 1-800-360-2186.

Order Number: **VI-CSP = \$1,150****

*This program was reviewed and approved by the AAVSB RACE program for 4 hours of continuing education in jurisdictions which recognize AAVSB RACE approval. Please contact the AAVSB RACE program if you have any comments/concerns regarding this program's validity or relevancy to the veterinary profession. Provider #436.

**Prices vary for clinics located outside the Continental United States.
