Invoice must be dated:

**March 1, 2019 - January 31, 2020**

Last date to claim incentives:

**February 29, 2020**

## Redemption Instructions:

- Visit [midmark.com/animal-health](http://midmark.com/animal-health)
- Hover over "Promotions."
- Under "Promotion Redemption" select the **Imaging Promotion** icon.
- Upload invoice\*
- Complete the information required on the form
- Select "Terms and Conditions" and "Submit"

All serial numbers must be submitted online. Upon each submission a confirmation email will be sent for your records. Please keep the confirmation until incentives are received. Incentives must be submitted online by **February 29, 2020**.

\*Midmark must receive a copy of the end-user invoice stating the veterinarian's name and date purchased. Invoice must be dated **March 1 – December 31, 2019**. Incentives will not be processed until invoice is received.

This offer is valid on eligible products purchased by a veterinarian or veterinary facility through an authorized Midmark Animal Health dealer. **This offer may not be combined with any other offer, promotion or contract pricing.**

Free training applies to facilities located in the Continental United States only. The training incentive is available in other locations, but fees related to additional travel expenses may be incurred.

Free installation applies to complete systems and should be submitted as a zero-cost line item on purchase orders.

## Questions?

For questions or inquiries about the promotion, please call the Midmark Animal Health Customer Experience Department at 1.800.MIDMARK or visit [midmark.com/Imaging2019](http://midmark.com/Imaging2019).

# Midmark Academy<sup>SM</sup>

Continuing Education for the Veterinary Professional

## Dental Radiography + Positioning Training

**Our comprehensive, hands-on, half-day radiography and positioning training is provided in your clinic by a member of the Midmark Animal Health Training and Education Network.**

Dental radiography training from Midmark will get you up and running with your new equipment faster than you ever thought possible.

### Training topics include:

- Generator usage
- Midmark imaging software training
- Positioning techniques for both canine and feline patients
- How to overcome common positioning mistakes
- Proper maintenance and storage techniques

Veterinarians and credentialed technicians who complete this session will earn 4 hours of CE credits\* for dental radiography and positioning training.

**Midmark part number and cost for training if ordered outside of the promotion:**

**VI-CSP = \$1,150.00\*\***

\*This program was reviewed and approved by the AAVSB RACE program for 4 hours of continuing education in jurisdictions which recognize AAVSB RACE approval. Please contact the AAVSB RACE program if you have any comments/concerns regarding this program's validity or relevancy to the veterinary profession. Provider #436.

\*\*Prices vary for clinics located outside the Continental United States.
