

# LIFT

## Table Promotion

**\$700** Rebate  
per eligible purchase

Midmark CM freestanding lift tables take the “strain” out of lifting patients, allowing you to position them easily and quietly — supporting patient comfort and staff safety. Spacious work surfaces allow for access from both long sides of the table. The optional scale is built into the back tower so it's always easy to read regardless of the tabletop position.

### Designed with:

- Sturdiness and balance to reduce stress on patients
- Wide range of motion – from floor to 44"
- 300 lb load capacity to reduce strain on you and your staff
- Wet or dry table options to meet your specific needs
- Fully finished back means no need to bolt to wall or floor

### Promotion Dates:

Promotion order period: **January 1 - December 31, 2019**
