Program Dates:

Program order period:

January 1 – December 31, 2023

Last date to take shipment of products:

January 31, 2024

Invoice must be dated:

January 1, 2023 – January 31, 2024

Last date to claim incentives:

February 29, 2024

Redemption Instructions:

- Visit midmark.com/animal-health
- Hover over "Promotions"
- Select the Imaging Program icon under "Promotion Redemption"
- Upload invoice*
- Complete the information required on the form
- Select "Terms and Conditions" and "Submit"

All serial numbers must be submitted online. Upon each submission, a confirmation email will be sent for your records. Please keep the confirmation until incentives are received. Incentives must be submitted online by **February 29, 2024**.

*Midmark must receive a copy of the end-user invoice stating the veterinarian's name and date of purchase. Invoice must be dated between **January 1, 2023 and January 31, 2024**. Incentives will not be processed until the invoice is received.

This offer is valid only on eligible products purchased by a veterinarian or veterinary facility through an authorized Midmark Animal Health dealer. **This offer may not be combined with any other offer, promotion or contract pricing.**

Free training applies to facilities located in the continental United States only. A training incentive is available in other locations, but fees related to additional travel expenses may be incurred.

Free installation applies to complete systems and should be submitted as a zero-cost line item on purchase orders.

Midmark AcademySM

DENTAL RADIOGRAPHY POSITIONING TRAINING

Our comprehensive, hands-on half-day Dental Radiography Positioning Training is provided in your clinic by a member of the Midmark Academy Dental Training and Education Network.

With training from Midmark, you could be up and running with your new equipment faster than you thought possible.

TRAINING TOPICS INCLUDE:

- X-ray generator usage
- Midmark imaging software training
- Canine and feline positioning techniques
- Common positioning errors
- Proper maintenance and storage techniques

Veterinarians and credentialed technicians who complete this session will earn 4 hours of CE credits* for dental radiography positioning training.

The Midmark part number for this training if ordered independent of this program is below:

VI-RAD

*This program was reviewed and approved by the AAVSB RACE program for 4 hours of continuing education in jurisdictions which recognize AAVSB RACE approval. Please contact the AAVSB RACE program if you have any comments/concerns regarding this program's validity or relevancy to the veterinary profession. Provider #436.

Note: Prices vary for clinics located outside the Continental United States.
